**This is Your
Character Guide**

Start with Basics to see how everything works, then use the tabs to jump around your character's info.

Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

CUMBERLAND VALLEY — HIGH SCHOOL —

1998-1999 CVHS Student Profile

Please fill out this form and return it to your homeroom teacher on Monday, June 29.

BASIC INFORMATION

STUDENT NAME: Cody Sanders GRADE: Junior
YOUR YEAR OF BIRTH: 1982 YOUR AGE: 16 AVERAGE GPA: 3.8

PERSONALITY

HOW WOULD YOU DESCRIBE YOUR SOCIAL STYLE?

I'm pretty easygoing, but I'm not the kind of person who has to be the center of attention. I'd rather be working on a project, figuring something out, or helping fix a problem than making small talk. I like people who are practical, honest, and can laugh at themselves.

STUDENT ACTIVITIES

PLEASE DESCRIBE ANY STUDENT ACTIVITIES IN WHICH YOU ARE INVOLVED

- Computers: I spend a lot of time building and learning about computers. I like figuring out how things work and making them work better.
- Shop / Hands-On Projects: If something needs to be repaired, built, or taken apart, I'm usually interested. I like solving problems with my hands.

APPEARANCE

HOW WOULD SOMEONE RECOGNIZE YOUR USUAL STYLE?

Mostly dark T-shirts, flannels, jeans, and old sneakers. Practical clothes with the occasional weird graphic or patch.

Friends & Peers

The Computer Course Crowd

During break, you took a computer class where you were split into teams and challenged to design a CVHS website, and things got competitive.

First, **Andy Green** on your team hid one of the other team's floppy disks for a couple of days before suddenly "finding" it again. It was a dumb prank, but everyone eventually moved on.

Then **Kevin Kapowski** on the other team somehow corrupted several of your team's files. Kevin insists it was an accident, but plenty of people (including you) are not convinced. But whatever, it wasn't worth a grade. Life moves on.

Your Team

*Andy Green
*George Lawrence
Morgan Chase

Your Rivals

*Kevin Kapowski
Monica Banks
Ryan Crane
Skyler Winslow

Your Favorite Techy Friends

Despite whatever happened with the competition, you still like people who understand computers, systems, and practical problem-solving. No hard feelings,

- **Ryan Crane:** You've known him forever. He is quiet, logical, and fun to hang out with.
- **Morgan Chase:** Smart, practical, a skateboarder, and a host of the WRHK rock show, "Loose Wires."
- ***Andy Green:** Clever, funny, and more helpful than he acts... though he can be a bit of a prankster.

WRHK Friends

You are close friends with **Melanie Morgendorfer**.

She is smart, calm, dependable, and the Station Manager of WRHK, the school radio station.

You are also friends with **Monica Banks**. Despite the computer class rivalry, there are no hard feelings. She is creative, upbeat, and WRHK's Assistant Station Manager.

You also have a handful of friends who work at the station.

Dustin Kramer
*jess Summers
Skyler Winslow
Veronica Walsh
*Zachary Bing

Welcome Rally Talk

The whole school keeps talking about **Friday's Welcome Rally**, a back-to-school pep rally to celebrate the first week. SGA seems desperate to prove it matters, **Dustin Kramer** talked smack about school spirit on WRHK and may get pulled from the air, and **Greg Salinger**, the newspaper editor, is supposedly planning an article, though nobody really knows what.

You may know more people than you remember. If someone says you've met through WRHK, class, or friends, go with it.
