**This Binder Belongs To:**

*Danielle Vaughn*

**This is Your  
Character Guide**

Start with Basics to see how everything works, then use the tabs to jump around your character's info.

## Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

## Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

## When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

## Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

## Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (\*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

## WELCOME TO THE FIRST SEMESTER OF WRHK!

For your benefit, key station and show info has been provided below, along with space to take notes about your show, the station, and fellow DJs.

<b>Station Manager:</b> Melanie Morgendorfer	<b>Assistant Station Manager:</b> Monica Banks
<b>Your Show:</b> The Mix Tape	<b>Description:</b> The hottest hits, the latest trends, and the stories everyone is whispering about. If it's happening at Cumberland Valley High, you'll hear about it on The Mix Tape!
<b>Genre:</b> Top 40 / pop / teen talk	<b>Block:</b> M-F, 5:00 PM–6:30 PM

### Substitute (Backup) DJs

Based on similar genres and show formats, below are the DJs you should contact if you are unable to make a show, those who may contact you to fill in.

#### Your Backup DJs

- **Courtney Hart** (*Glitter Riot*): Similar pop, dance-pop, and party-hit energy.
- **\*Kimberly Connor** (*Say Hi*): Good with requests, shout-outs, and feel-good songs.
- **\*Stephanie Costanza** (*Curtain Call Countdown*): Similar pop and performance energy.

#### DJ You Back Up For

- **Monica Banks:** *Hawk Squawk* — student talk / announcements — M-F, Before School + 1st Period, 7:00 AM–8:20 AM

**Note:** Faculty approval is required for any shifts scheduled during school hours.

#### DJ Specific Notes

**WRHK / SGA Liaison** — Since you're the new SGA Publicity Chair and you have a WRHK show, it made sense for you to handle the radio/publicity overlap for the Welcome Rally. On the planning form, you listed yourself as the person to contact for announcements, giveaways, and WRHK support. You were saving Melanie time. All she really has to do is set things up.

Instead, Melanie has been acting totally unappreciative, saying her name should have been on the form and that she should have been at the pep rally meetings. You like Melanie, but seriously? You were trying to help. Total control freak.

# Student Government

## New Role & Responsibilities

SGA elections are held at the end of the prior year and you are the new SGA Publicity Chair. You are excited to oversee flyers, announcements, rally promotion, and making SGA events sound worth showing up for.

### Members (Besides You)

**President:** Travis Taylor

**Vice President:** Victoria Walsh

**Secretary:** \*Angela Howser

**Treasurer:** \*Jeremy Benes

**Activities Coordinator:**  
Courtney Hart

## Pep Rally Plans

The Welcome Rally is the first big SGA event of the year, and publicity is a huge part of making it work. WRHK will help with music, shout-outs, and giveaway promotion, the cheerleaders will bring school spirit and crowd energy, and you'll co-host with Travis. It's gonna be awesome.

## Upcoming Expose?

- School newspaper editor **Greg Salinger** is planning an SGA article. You don't know what it will say, but you'll make sure you look good.

## Dustin's Drama

On Wednesday, **Dustin Kramer** ranted on air about SGA and school spirit. **Travis** hasn't responded well.

## A Bit of Blackmail for the Greater Good

While reviewing old SGA records, you found something shady from when Victoria was Treasurer last year. You haven't told anyone besides her, and she knows you could. So when you need support, like getting Travis to agree you should help host the rally, she helps.

# Your Social Map

## Message Box Mixup

One of your great ideas for the new year was setting up a Student Mailbox at the front of school. You pitched it to faculty, got it approved, set it up, and started distributing notes. You knew WRHK had its own request box, but people barely used it and you knew you could pass things along if needed.

Yes, you tossed a request or two, but nothing worth promoting. Something about people hanging around parking lots, and some art zine thing that sounded negative. DJs should be focused on the pep rally right now, not random requests from a box.

Then **Melanie** found out, and now she and **Monica** are frustrated about the station requests. Fine. You can give them WRHK messages moving forward, but it is not like anything important was missed.

## Close Friends

- **Courtney Hart:** Fellow SGA member. She's fun, energetic, and likes pop-punk things.
- **Victoria Walsh:** SGA Vice President. Friendly, polished, popular, and usually willing to back you up; dating Travis Taylor.
- **\*Stephanie Costanza:** Creative, dramatic, and fun to talk to about songs, crushes, outfits, and people.
- **\*Angela Houser:** SGA Secretary. Smart, organized, socially aware, and sweet.

## Lindsay Silver

**Lindsay** is the new yearbook editor, and you're semi-friends through various circles. You want to become better friends this year.

## Marcus McKay

You've been flirting with **Marcus McKay**, who skateboards and hangs around the cooler, quieter side of school. He's cute, and talking to him is fun, but he's not the right guy for you. He hangs out with **Travis** sometimes, so he's not totally outside your world. Still, **Marcus** is too chill and too comfortable drifting. You're smarter, more focused, and going places.

You may know more people than you remember. If someone says you've met through WRHK, class, or friends, go with it.

# The Walsh Sisters' Back to School Bash

## It's Going to Be Killer!

You are good friends with **Victoria Walsh**, the SGA Vice President, and her twin sister **Veronica** has a WRHK show, so you know both sides of this party. Their parents are going out of town this weekend, so they're having a huge back-to-school bash. Since Victoria is dating **Travis Taylor**, the SGA President, half the student government crowd will probably be there too. This is exactly the kind of party people will be talking about on Monday.

## Potential Drama

**Melanie** and **Monica** are still being weird about the Student Mailbox thing. You'll give them WRHK messages moving forward, but it is not like anything important was missed. 

## Things to Know

**Party Starts:** 6pm

**Address:** 616 Truxton Dr  
Nashville, TN

**BYOB:** Raid your parents' liquor cabinet, bust out a fake ID, or find and bribe some 21+ person. 

## Can't Hardly Wait

This week has been all SGA, WRHK, publicity plans, and stress about Friday's Welcome Rally. You really want the rally to go well, mostly because you helped make it exciting.

By Saturday, it will finally be over. You want to look cute, have fun, hear what people thought, and enjoy being at a party where everyone can see you are exactly where you belong.
