This Binder Belongs To:

Greg Salinger

**This is Your
Character Guide**

Start with Basics to see how everything works, then use the tabs to jump around your character's info.

Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

CUMBERLAND VALLEY — HIGH SCHOOL —

1998-1999 CVHS Student Profile

Please fill out this form and return it to your homeroom teacher on Monday, June 29.

BASIC INFORMATION

STUDENT NAME: Gregory (Greg) Salinger GRADE: Senior
YOUR YEAR OF BIRTH: 1981 YOUR AGE: 17 AVERAGE GPA: 3.6

PERSONALITY

HOW WOULD YOU DESCRIBE YOUR SOCIAL STYLE?

I'm friendly, funny, and social with people I know. I'm also dry and skeptical when something feels polished, forced, or made to look good.

STUDENT ACTIVITIES

PLEASE DESCRIBE ANY STUDENT ACTIVITIES IN WHICH YOU ARE INVOLVED

- The Current: The student newspaper is my passion because it gives me a voice. I love a good angle, a good quote, and a story that makes people nervous. After three years on the staff, this year I am the editor.
- WRHK: My radio show, "Left of the Dial," lets me be sarcastic, play indie rock, and stay connected to the music-scene crowd. It's a lot of fun.

APPEARANCE

HOW WOULD SOMEONE RECOGNIZE YOUR USUAL STYLE?

My style is alternative, casual, and music-scene influenced: plaid shirts, thrifted layers, dark jeans, sneakers, band tees, and a chain wallet.

CONFIDENTIAL - FOR SCHOOL USE ONLY

DJ Specific Notes

Which Request Box? — WRHK has always had a request box for students to ask for their club, band, play, etc. to be promoted on the station. Melanie or Monica review the submissions and then spread the word to DJs. However, when you dropped a notecard in about needing photographers, you noticed the box was practically empty. Should you have gone with the new "Student Voices" mailbox at the front of the school?

Start of School Scandal — On Wednesday, Dustin used his show to make fun of the suppose first-week obsession with school spirit, questioning if anyone cares about pep rallies this early in the year besides SGA, and maybe cheerleaders. Unsurprisingly, most of the SGA is pissed and probably asking Melanie for his head.

THE CURRENT

You are the editor of CVHS's student newspaper. You took on the role for the access and ability to help the paper cover bigger, better, and deeper stories — not for popularity or fame.

Select Staff Notes

- Ryan Crane: He's your friend, needed an elective, and reluctantly joined newspaper.
- Victoria Walsh: She's great at student features because she seems to know everyone.
- *Heather Hunter: Your only photographer, and she's stretched way too thin.
- *Andy Green: Writing a column about first-week student complaints.

(You have more staff - these are just some of the reporters you may see on Saturday)

Your Upcoming Article

The Angle

For years, you have wanted to write an investigative article about what SGA-run events cost, who decides what is worth funding, what student government really does — and whether it is all worth it. The last two editors of the paper were on SGA and vetoed the idea, but now that you are editor, no one can stop you.

Based on the questions you've been asking, people have picked up that the article involves school, school spirit, and SGA — but not the full angle.

You know some SGA members are aware it is coming and may now be wary of you — or eager to suck up.

Student Government

Travis Taylor — President
Victoria Walsh — Vice President
Secretary — *Jeremy Benes
Treasurer — *Angela Howser
Courtney Hart — Activities Coordinator
Danielle Vaughn — Publicity Chair

Upcoming SGA Event

Friday, 6/26, Riverhawk Welcome Rally
SGA's back-to-school kickoff with a WRHK broadcast, cheerleaders, etc.

An Issue for the Editor

Lindsay Silver is the new editor of Wingspan, the yearbook, and has been acting like yearbook should control school photography. At the end of the last school year, she convinced two newspaper photographers to switch to yearbook by promising better gear, event access, and official photo opportunities. It may be true, but it still leaves your paper short, and it isn't fair.

You asked Lindsay if The Current could use yearbook images until you recruit more photographers. She agreed to share some, but said the newspaper and yearbook should not get too intertwined because they have different visual styles and purposes. You think she is hoarding access and weakening the newspaper while pretending it is artistic leadership.

The Walsh Sisters' Back to School Bash

It's Going to Be Killer!

Veronica Walsh is a good friend of yours; she's on the newspaper staff, has a WRHK show called Static Muse, her taste isn't bad, and she's often fun to talk to. Her parents are out of town, so she and her twin, Victoria, are throwing a huge party. You only vaguely know Victoria, but you know she's SGA Vice President, on yearbook, and dating Travis Taylor, the SGA President. Between the twins' combined social circles, this party should be packed.

Potential Drama //

You want to find Dustin and ask what happened after Wednesday's show. Did SGA complain? Is Melanie getting pressure? Is Dustin actually in trouble, or is everyone just being dramatic?

Things to Know

Party Starts: 6pm
Address: 616 Truxton Dr
Nashville, TN 37214
BYOB: Raid your parents' liquor cabinet, bust out a fake ID, or find and bribe some 21+ person.

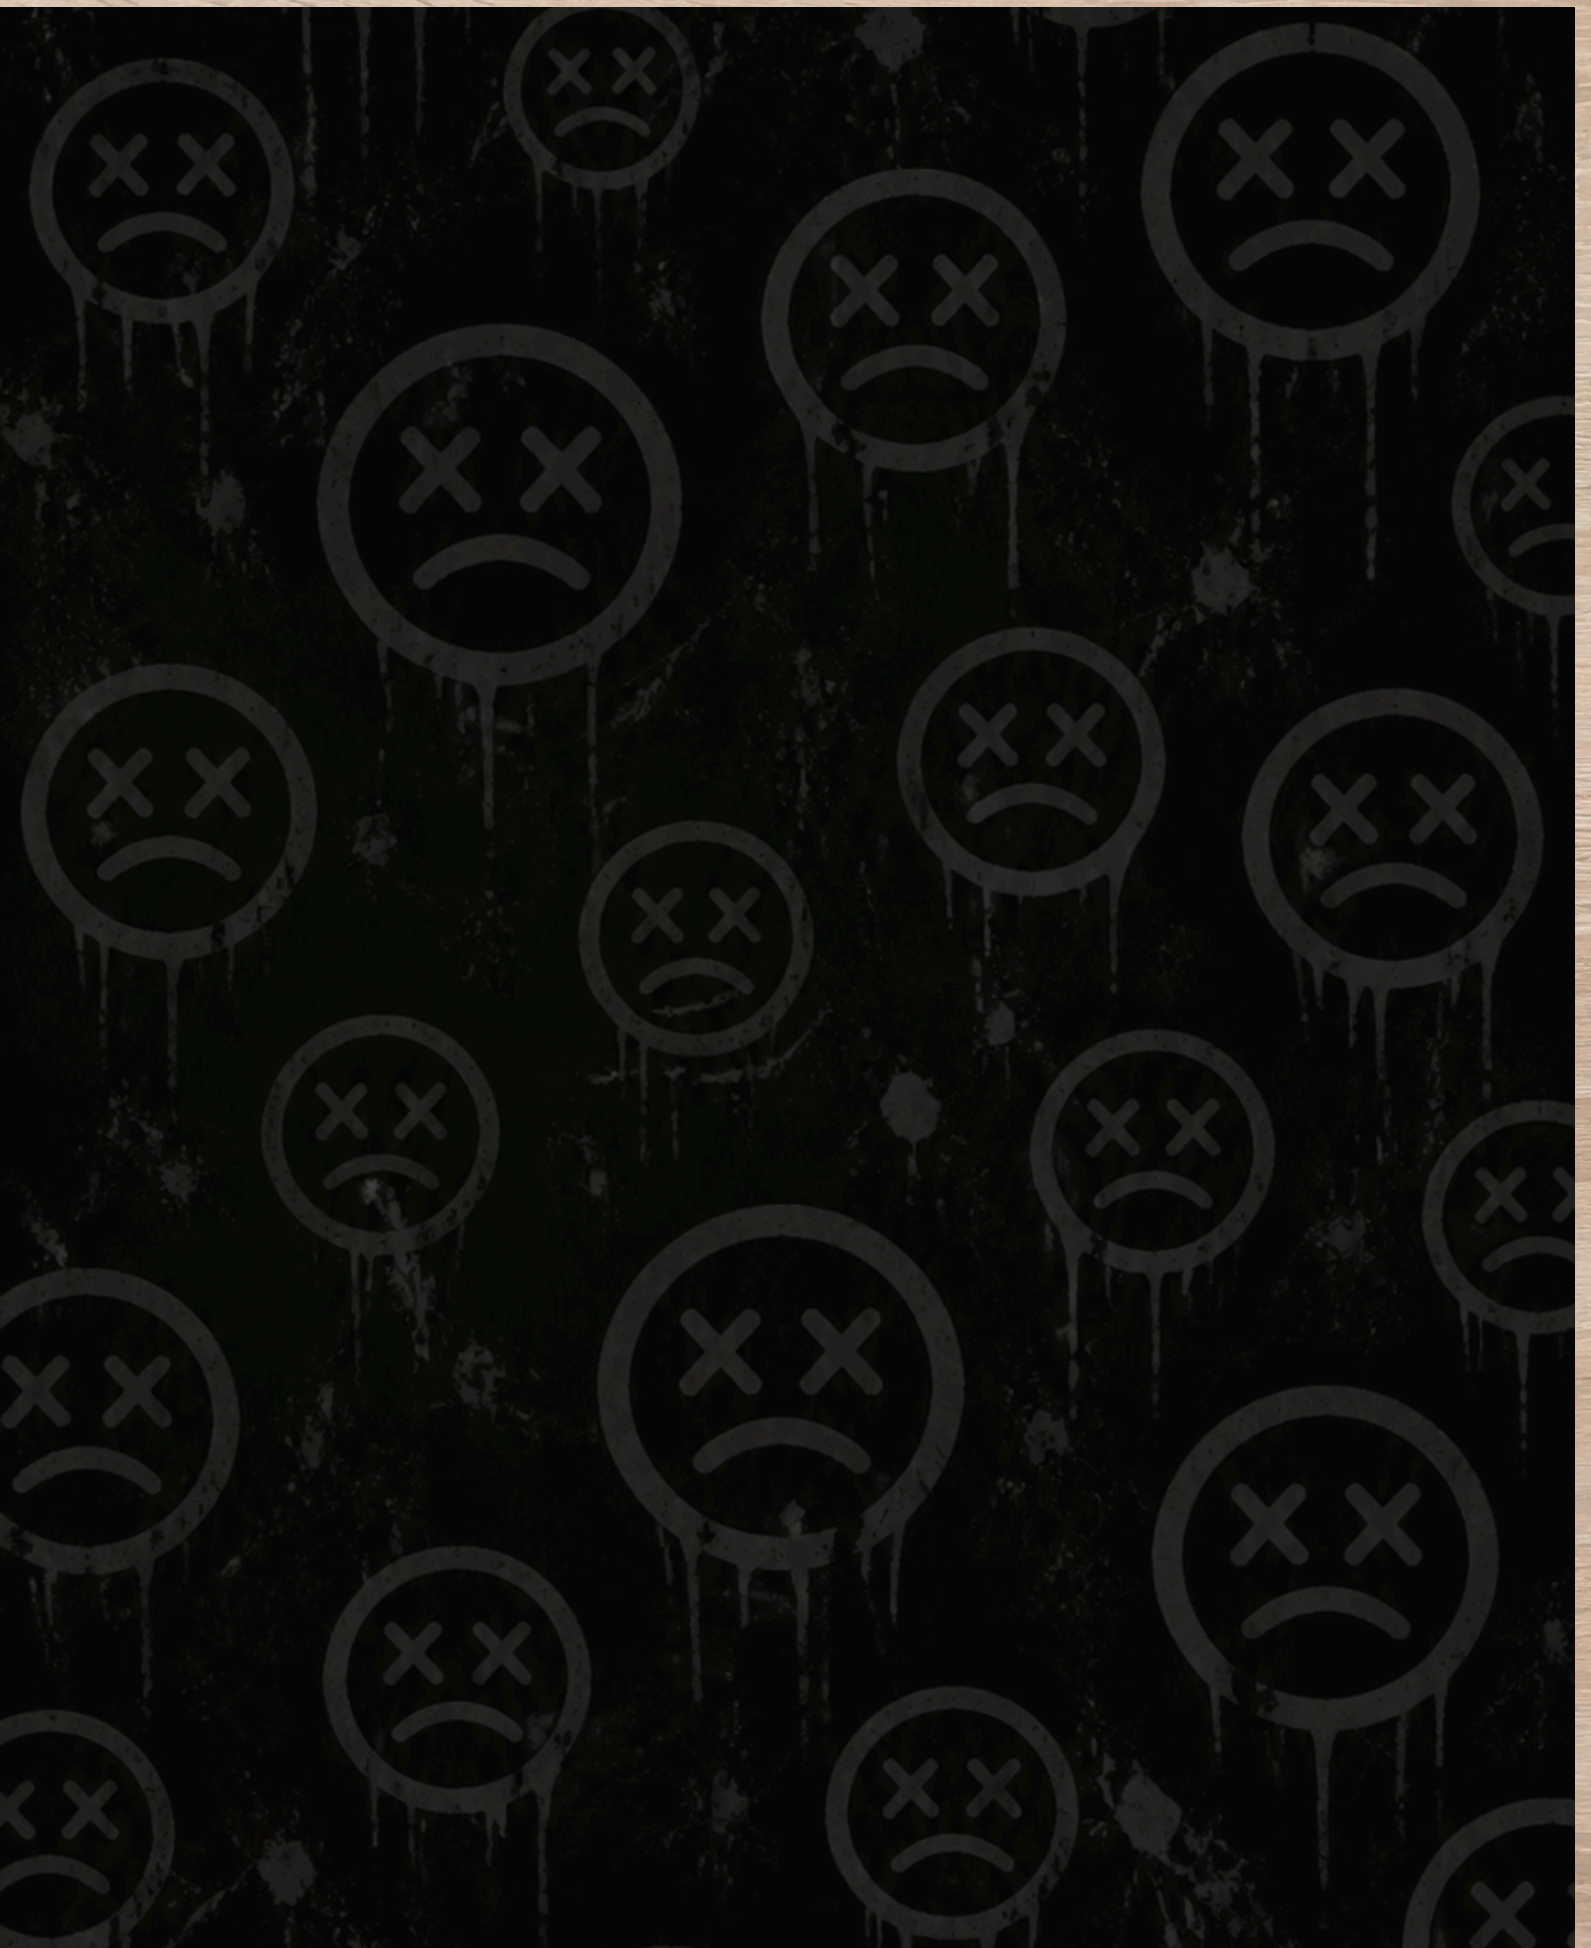

Can't Hardly Wait

You want to have fun, catch up with friends, and hear what people are really saying after the first week back. You're also curious how much Friday's Welcome Rally will spill into Saturday night, especially with SGA, WRHK, and half the school in one house.

You are not going to spend the whole party working on your article. But if people want to talk, complain, brag, or accidentally reveal something useful, you are absolutely going to listen.
