This is Your Character Guide

Start with Basics to see how everything works, then use the tabs to jump around your character's info.

You have a Crushes page because said you might have a +1.

If they come, one of these optional characters could be a good match, and complementary resources will be available.

Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

Your Backup DJs

- **Veronica Walsh** (*Static Muse*): Similar alternative and soundtrack taste.
- **Natasha Rosenberg** (*Black Lipstick*): Similar girl-pop and punk edge.
- **Melanie Morgendorfer** (*Homegrown*): Similar local/indie/rock taste.

DJs You Back Up For

- **Melanie Morgendorfer:** *Homegrown* — local rock / indie / punk — M-F, 8:00 PM–9:30 PM
- **Veronica Walsh:** *Static Muse* — alt-rock / soundtracks — Sat & Sun, 1:00 PM–3:00 PM
- ***Zachary Bing:** *The Bitter Endcap* — deep cuts / music commentary — M-F, 7th Period

DJ Specific Notes

Keepin' It Real... or Too Real? Everyone is talking about **Dustin Kramer's** show from Wednesday, when he made fun of the sudden obsession with school spirit, pep rallies, and SGA acting like everyone should care. You didn't hear it yourself, but you've heard enough about it to know it didn't go over well. Now Travis Taylor, SGA President, is trying to get **Dustin** pulled off the air or at least in serious trouble.

Smile for the Rally **Danielle Vaughn** keeps talking about how much she has done to help WRHK get ready for Friday's Welcome Rally, and honestly, you are eager to see how it all turns out. Between SGA, cheer, radio, speeches, music, and everyone suddenly caring about school spirit, it should be great yearbook material.

WINGSPAN

You are the editor of CVHS's yearbook, *Wingspan*. You care about layouts, captions, photo assignments, deadlines, and making the yearbook feel like the official version of what actually happened.

Select Staff Notes

- **Marcus McKay:** Good with candid photos, games, practices, hallway shots, and moments people do not realize are worth documenting yet.
- **Victoria Walsh:** Knows a ton of people, which makes her useful for names, groups, teams, and figuring out who belongs in which photos.
- **Natasha Rosenberg:** Has a good eye for dramatic moments, expressive people, and pictures that feel more interesting than ordinary posed shots.
- ***Paul Morris:** Funny, observant, and usually near whatever corner of the room is more interesting than the official event.

(There is more staff - these are just some of the people you may see on Saturday)

Your Upcoming Assignment: The Welcome Rally

Friday's Riverhawk Welcome Rally has turned into the biggest thing happening at CVHS this week. It started as a normal back-to-school kickoff, but now everyone is talking about SGA, WRHK, school spirit, and whether the whole thing is going to be exciting or a complete mess.

You have photographers ready to shoot crowds, cheer moments, SGA poses, radio setup, awkward pauses, and anything that looks important. If the rally goes well, *Wingspan* needs the best proof. If it goes badly, *Wingspan* still needs the best proof.

An Issue for the Editor

The year has barely started, and **Greg Salinger**, the editor of the newspaper, is acting like yearbook is personally destroying *The Current*. At the end of last year, you convinced two photographers to switch from *The Current* to *Wingspan* by promising better equipment, better event access, and more photo opportunities.

Greg has now asked if *The Current* can use yearbook photos until he recruits more photographers. You agreed to share some, but you do not want newspaper and yearbook coverage getting too intertwined. Newspaper needs pictures fast. Yearbook needs pictures that last.

You are not trying to sabotage him. You just think *Wingspan* should control its own photos and visual direction. If **Greg** wants *The Current* to have better coverage, he needs to build his own staff instead of acting like your planning is the problem.

Your Social Map

Close Friends

- **Megan Martin:** Creative, thoughtful, and good at making things feel interesting without making them look too polished. You like her zine, i.
- **Courtney Hart:** Creative, energetic, and fun to be around.
- **Victoria Walsh:** Yearbook friend, SGA Vice President.
- **Veronica Walsh:** WRHK friend with great taste and a sharper sense of humor.
- **Natasha Rosenberg:** Yearbook and WRHK friend. Dramatic, expressive, stylish, and very useful when something needs more personality.
- ***Stephanie Costanza:** Sweet, theatrical, and good for music, outfits, and gossip.

Yearbook Staff

You know plenty of people through Wingspan, especially photographers and people who help make the yearbook look less boring.

Brooke Matthews and **Natasha Rosenberg** both switched from *The Current* to *Wingspan* after you promised better equipment, better event access, and more official photo opportunities. You still think they made the right call.

SGA Gossip

Travis Taylor and **Victoria Walsh** are basically a power couple now: SGA President and Vice President, popular, polished, and easy to put at the center of a photo.

Your friend Megan ran against **Danielle Vaughn** for Publicity Chair last year and lost. Watching **Danielle** lead pep rally publicity makes you wonder whether **Megan** would have handled it better.

Student Government

President: Travis Taylor	Vice President: Victoria Walsh
Secretary: *Angela Howser	Treasurer: *Jeremy Benes
Publicity Chair: Danielle Vaughn	Activities Coordinator: Courtney Hart

You may know more people than you remember. If someone says you've met through WRHK, class, or friends, go with it.

YOUR CRUSHES

There are plenty of interesting guys around, all in completely different ways. You are not saying you need a boyfriend, but if the right person happens to be at Saturday's party, you are not opposed to seeing what happens.

NAME: Kevin Kapowski

GRADE: Junior

WHY I LIKE THEM:

He is smart, funny, and a little too pleased with himself, but not in a boring way. He is basically a computer mastermind and knows how to get into things he probably should not, which is both useful and slightly dangerous.

SCHOOL ACTIVITY:

Yearbook and computers. He helps with *Wingspan* and is the kind of person people ask when something needs fixing, finding, or quietly figuring out.

NAME: Brad Tanner

GRADE: Senior

WHY I LIKE THEM:

He is cute, confident, strong, and very aware that people notice him. He has that football-captain thing where he can look completely relaxed while still seeming like the center of attention.

SCHOOL ACTIVITY:

Football. He is captain of the team, which means people listen to him, watch him, and probably forgive him for things they would not forgive anyone else for.

NAME: Zachary Bing

GRADE: Senior

WHY I LIKE THEM:

He is dry, funny, and has the kind of music taste that makes you want to keep talking just to see what he says next. He acts like he does not care, but you can tell he notices more than he admits. He is in a band, *Parked Cars*, and plays rhythm guitar, which helps.

SCHOOL ACTIVITY:

WRHK. He has a radio show, knows music, and sounds like someone who has actual opinions instead of just playing whatever people expect.

The Walsh Sisters' Back to School Bash

It's Going to Be Killer!

You know both **Walsh twins**, and their parents are going out of town this weekend, so they're having a huge party. You're closer with **Victoria** because she's on yearbook, polished, social, and easy to talk to. You also know **Veronica** from WRHK; she has great taste and a show that actually sounds like someone thought about it. Between yearbook people, radio people, SGA, football, and everyone connected through the twins, this party should be packed.

Potential Drama

The yearbook/newspaper photo feud is already school gossip. If **Greg** shows up still acting like *Wingspan* is his backup camera bag, Saturday could get interesting.

Can't Hardly Wait

This week has been yearbook, WRHK, rally coverage, and everyone suddenly caring about school spirit. By Saturday, the Welcome Rally will be over, which means people will finally be able to talk about how it went.

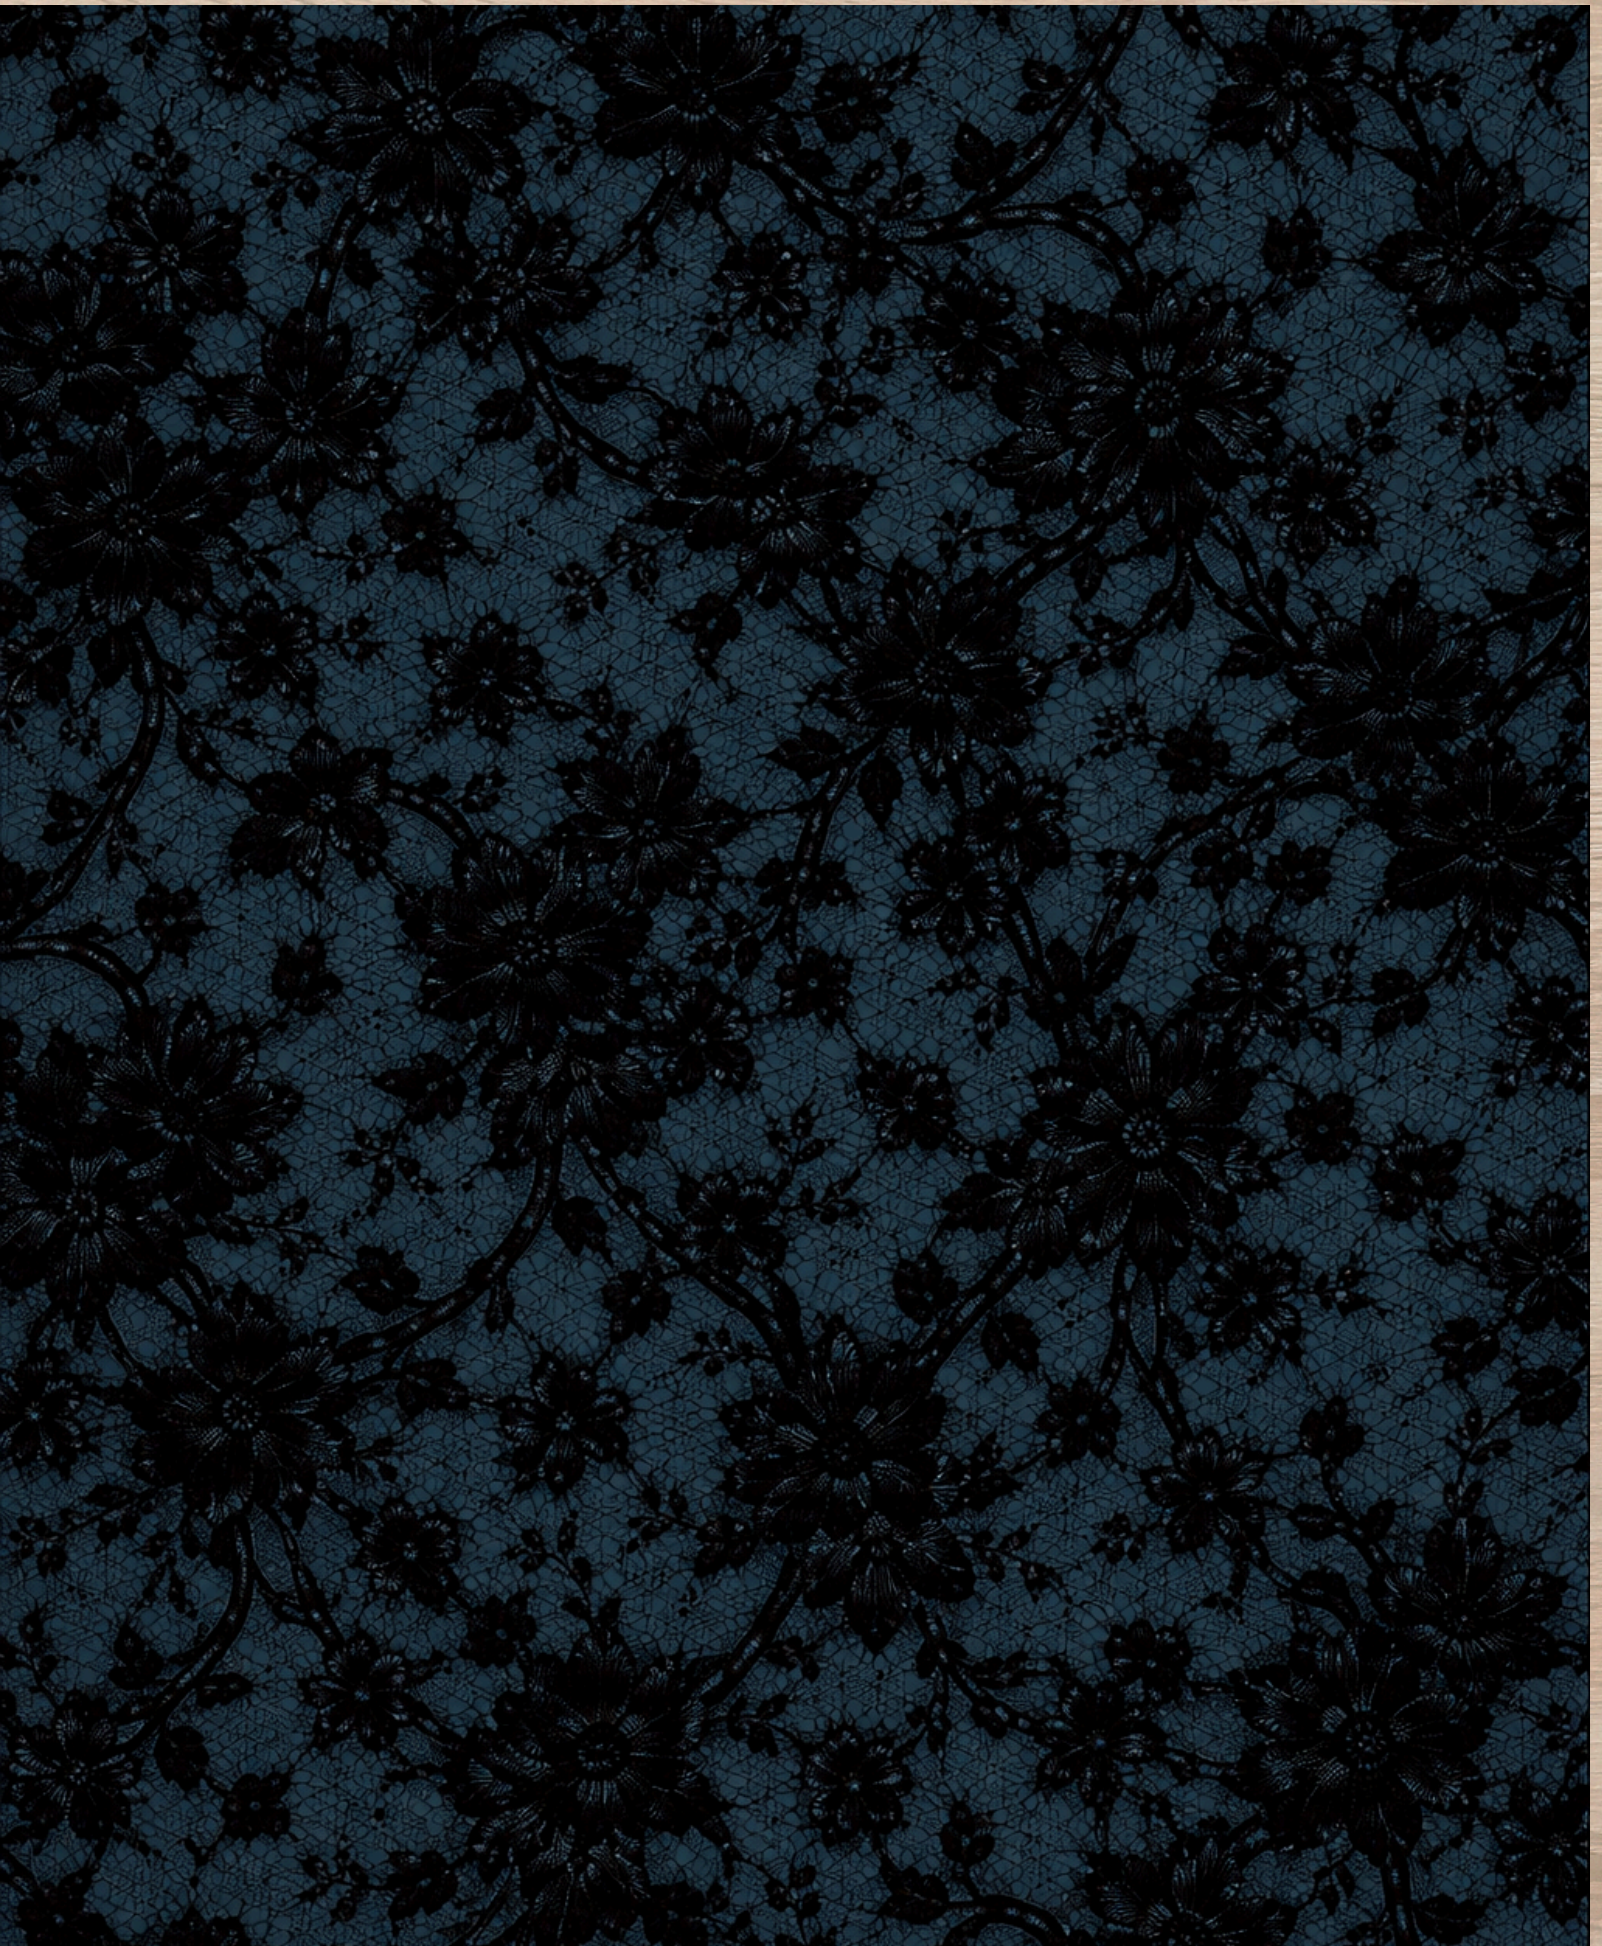

Things to Know

Party Starts: 6pm

Address: 616 Truxton Dr
Nashville, TN 37214

BYOB: Raid your parents' liquor cabinet, bust out a fake ID, or find and bribe some 21+ person.

You want to look good, have fun, drink something you probably should not, and find out what everyone is saying. A party is not yearbook, but it is still where people show you who they are when they think no one is taking notes.
