**This is Your
Character Guide**

Start with Basics to see how everything works, then use the tabs to jump around your character's info.

Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

Student Government

New Role & Responsibilities

SGA elections were held at the end of last year, and you are the new SGA President. You help keep projects moving, officers focused, and school events from turning into total chaos.

Members (Besides You)

Vice President: Victoira Walsh

Secretary: *Angela Howser

Treasurer: *Jeremy Benes

Activities Coordinator:
Courtney Hart

Publicity Chair:
Danielle Vaughn

Pep Rally Plans

The Welcome Rally is the first big SGA event of the year, and you are hosting part of it with **Danielle** over the radio station gear. WRHK is supposed to help with music, shout-outs, and crowd energy. If it goes well, SGA looks organized, fun, and worth taking seriously.

Publicity Problems

The new Publicity Chair, **Danielle Vaughn** gets on your nerves: too preppy, too perky, too bossy, and all over the place with rally plans, announcements, WRHK support, and student messages. **Victoria** is friends with her, but you do not really see it. **Danielle's** competition for the position was **Megan Martin**, and you liked her better. More down-to-earth, no flashy-fakeness.

Bad Press?

Lately, everyone is dragging SGA and school spirit. On Wednesday, **Dustin Kramer** used his radio show to mock the upcoming pep rally, and while there is such a thing as freedom of speech, at school you should still respect your school. You are hoping to get him thrown off the air. Meanwhile, you have heard **Greg Salinger**, the newspaper editor, is planning some sort of takedown piece on SGA. You do not know what he is going to say, but it better be good.

Your Social Map

Close Friends

- **Marcus McKay:** One of your closest friends and the lead guitarist in **Parked Cars**. He is quieter than you, but you trust him, and he usually sees what is going on before people say it out loud.
- **Morgan Chase:** Your friend and bandmate. Morgan is sarcastic, smart, and not exactly a school-spirit person, but you like that they do not fake anything.
- **Brad Tanner:** Football captain, strong, popular; the kind of guy people notice.
- **Zachary Bing:** Bandmate and friend. He is dry, funny, and acts like he does not care about anything, but you know he notices plenty.

Your Girlfriend Victoria

Victoria Walsh is your girlfriend, SGA Vice President, a basketball player, and on yearbook. She is polished, popular, spunky, and basically everything you want in a woman.

For friends, she is close with **Courtney** from SGA and **Danielle**, though you do not really get why **Danielle**. She seems pretty pushy. Victoria is also friends with **Lindsay Silver**, the yearbook editor, and **Erica Owens**, her basketball captain.

Overall, **Victoria** is awesome: confident, fun, independent, and exactly the kind of girl you are lucky to be with. She makes everything she is part of look better.

Parked Cars

Your band started years ago when you were all stuck after school and got talking about music. It has been semi-real for years, with garage practices, schedule problems, and big plans that usually stayed plans.

This Friday, you're finally playing **Music City Mix Factory** at 8 PM, and someone submitted the show info so WRHK would promote it. But so far, none of you have heard any of the DJs talking it up. Maybe they are waiting. Maybe the request got lost. Maybe the station manager ignored it. Maybe you all have just missed the announcements. Or it's all just nerves.

PARTY

It's Going to Be Killer!

Victoria's parents are going out of town this weekend, so she and her twin sister, **Veronica**, are throwing a huge party. You and Victoria are more straight-laced and preppy, but Veronica is artsy and alternative, with connections to WRHK and the newspaper. Between both girls' crowds combined, this party is going to be huge: SGA people, radio people, athletes, skaters, yearbook staff, newspaper kids, and everyone who wants to be where things are happening.

Potential Drama

If **Dustin** is still running his mouth after mocking SGA and school spirit on his radio show, you might do something about him. Except **Victoria** probably does not want you starting a fight at her party.

Things to Know

Party Starts: 6pm

Address: 616 Truxton Dr
Nashville, TN 37214

BYOB: Raid your parents' liquor cabinet, bring a fake ID, or find and bribe some 21+ person..

Can't Hardly Wait

This week has been all SGA, rally stress, everyone suddenly having opinions about school spirit, and trying to keep everything looking normal. By Saturday, you just want to unwind.

You practically live at Victoria's house anyway, so this is exactly where you want to be: hanging out with her, drinking, hearing what people are saying, and enjoying the kind of party people will still be talking about Monday.
