Your Binder and You

Your binder covers what your character knows from the first week of school, ending on Thursday. It includes your character's personal history along with information about their friendships, conflicts, and more.

Shared vs Secret Information

Not everyone has the same information, and even shared events may look different depending on who is describing them. Your binder reflects your character's point of view, not the full story. Unless your binder specifically says another character knows something, your secrets are your own.

When the School Week Ends

On Friday night, you will receive your first clue, which will update you on what happened after the binder ends and give you new party conversation topics, drama, or questions to bring with you on Saturday.

Upcoming Murder

The murder will happen during the party, and the killer already knows who they are. If you are the victim, you will find out when it is time for you to die.

Optional Characters

Upon arrival at the party, any guests who have not been assigned a character will be given a menu of Optional Characters to choose from. As a result, these characters may or may not attend. If they do, they may be people your character already knows. Any optional character in your binder is marked with an asterisk (*). You will also receive a quick-reference sheet introducing any optional characters who are attending.

New Role & Responsibilities

SGA elections were held at the end of last year, and you are the new SGA Vice President.

You help keep projects organized, committees moving, and student feedback from turning into bigger problems.

Courtney Hart

Publicity Chair:
Danielle Vaughn

Friday's Pep Rally

- The Welcome Rally is the first thing SGA has done this year, so everyone will be watching. If it goes well, SGA looks organized.
- If it doesn't, people will talk.

Upcoming Expose?

Greg Salinger is planning an SGA article, which is terrifying because last year's Treasurer records are not clean. A fundraiser envelope went missing, so you and Veronica replaced the money yourselves. Then you made the final count sheet look balanced instead of reporting what happened.

Dustin Drama

On Wednesday, **Dustin Kramer** ranted on air about SGA and school spirit. **Travis** hasn't responded well.

"Supporting" Danielle

When going through SGA files, **Danielle** found a count-sheet discrepancy and knows you changed the final fundraiser records somehow. She does not know why, but she knows enough to make trouble. And now when she wants SGA backing, you can't say no.

Your Social Map

Close Friends

- **Travis Taylor:** Your boyfriend. He is confident, popular, ambitious, and good at making people believe things matter. You also have a social map for him.
- **Veronica Walsh:** Your twin sister. She is artsy, alternative, connected to newspaper/WRHK people, and knows you better than anyone.
- **Courtney Hart:** Fun, energetic, and easy to be around. She is the kind of person who can make school events feel exciting instead of forced.
- **Danielle Vaughn:** Friendly, organized, and full of ideas, but lately being supportive of her has felt less optional than it should.

Yearbook Staff Stuff

You are on yearbook staff, and the gossip is that the editor, **Lindsay Silver**, is dealing with **Greg Salinger**, the newspaper editor, asking her for photos. **Lindsay** has agreed to share some, but thinks **Greg** needs to get his own photographers.

Brooke and **Natasha** were on newspaper before yearbook, but when you asked about it, they said they did not want to get in the middle. Veronica is still on newspaper, and she says there is a different side to the story.

Girls Basketball Team

You play basketball for CVHS, which is one of the places people see your sporty side. Practice has not started yet, but you already know the main people on the team.

Friends from the Team

Captain: *Erica Owens *Heather Hunter

Other People's Drama

Courtney is dating **Morgan Chase**, who is also friends with Travis, so **Morgan** ends up around your social circle even though she does not exactly fit it.

Things are also awkward between **Morgan** and **Courtney's** close friend **Monica Banks** after some summer computer class competition. You do not know all the details, but **Courtney** is stuck in the middle.

You may know more people than you remember. If someone says you've met through WRHK, class, or friends, go with it.

Travis's Social Map

You know Travis's world pretty well: football, SGA, the band, his close friends, and the people he thinks are making things harder than they need to be.

Travis's Close Friends

- **Marcus McKay:** One of Travis's oldest friends. He is quieter, cooler, and more laid-back than Travis, but they work well together.
- **Morgan Chase:** She is casual, sarcastic, and not exactly SGA material, but Travis likes having different kinds of people around him.
- * **Brad Tanner:** Football captain, strong, popular, and exactly the kind of guy people notice. Travis respects him.
- * **Jess Summers:** Travis's bandmate and drummer. Funny, low-key, and reliable enough to keep the band from sounding like total chaos.
- * **Zachary Bing:** Travis's bandmate and rhythm guitarist. He is dry, deadpan, and weirdly funny in a way Travis appreciates.

He's an Excellent Musician

Travis's band, **Parked Cars**, is playing a big show on Friday. Their schedules are so different that they rarely get to perform, and barely anyone knows they're all in a band together. The band has been nervous about the lack of publicity, they haven't heard any DJs promoting the show, but maybe they just missed it.

He's Eager to Deal with Dustin

Travis thinks **Dustin Kramer** is a stupid guy with a microphone who should not get to trash SGA and call it entertainment. He wants **Dustin** canceled, punished, or at least shut up before he makes the Welcome Rally look like a joke.

He Can Never Know Your Secret

You and **Travis** tell each other almost everything, which makes last year's fundraiser mess feel even worse. You are too embarrassed to tell him you lost the envelope, panicked, and covered it up.

The Walsh Sisters' Back to School Bash

It's Going to Be Killer!

Your parents are going out of town this weekend, so you and **Veronica** are throwing a huge party. After the first week back, everyone needs a night to cut loose, show up, look good, and act like the year has officially started. The best part is that between your friends, **Veronica's** friends, and everyone who wants to be wherever things are happening, the house should be packed. If people are still talking about it Monday, you'll consider that a success.

Dustin Drama

Travis is still furious about **Dustin's** radio rant and wants something done about him. You understand why he is angry, but you do not want him losing his temper at your party.

Danielle Drama

Danielle acts like your support belongs to her, and you are tired of feeling cornered. If she brings SGA pressure into your house Saturday, you may not avoid it. 

Can't Hardly Wait

This week has been all SGA, yearbook, rally stress, and trying to keep everything looking normal. On Saturday, you want the party to feel fun, crowded, and effortless, even though you and Veronica definitely planned it.

You want to hang out with **Travis**, look cute, hear gossip, and prove the Walsh sisters know how to throw the kind of party people remember.
